Will, I love you so I always will
I look at you and see
the passion eyes of may
Oh, but am I ever gonna see
my wedding day?
I was on your side Will,
When you were losing,
I'd never scheme or lie Will,
There's been no foolin'
But kisses and love won't
carry me,
'til you marry me Will,
I love you so, I
always will.
And in your voice, I hear the choir of
carousels
Oh, but am I ever gonna hear my wedding
bells?
I was the the one who came running when you
were lonely,
I haven't lived one day not loving you
only,
But kisses and love won't carry me,
'til you
marry me Will. I love you so, I always will.
And my
devotion rules my heart I have no bows,
Oh, but are
you ever gonna take those wedding vows?
Oh,
come on Will.
Oh, come on Will.
Come on and marry
me Will.
I got the wedding bell blues.
Please marry
me Will.
I got the wedding bell blues.
Wedding bell
blues.
Yeah, marry me Will.
I got the wedding bell
blues
