Finn:

I know it's late  
I know you're weary  
I know your plans don't include me

Rachel:

Still here we are  
Both of us lonely  
Longing for shelter from all that we see

Finn:

Why should we worry?  
No one will care, girl

Rachel:

Look at the stars now, so far away  
We've got tonight  
Who needs tomorrow?  
We've got tonight, babe, why don't you stay?

Deep in my soul  
I've been so lonely  
All of my hopes so fading away  
And I've longed for love

Like everyone else does  
I know I'll keep searching after today

Finn:

So there it is, girl  
We've got it all now

Rachel:

And here we are, babe  
What do you say?

Finn and Rachel:

We've got tonight  
Who needs tomorrow?  
We've got tonight, babe, why don't we stay?

Kurt:

I know it's late and I know you're weary

Blaine:

I know your plans don't include me

Marley:

Still here we are

Marley with Jake:

Both of us lonely, both of us lonely

Quinn:

We've got tonight

Santana:

Who needs tomorrow?

Artie:

Let's make it last

Betty:

Let's find a way

Finn:

Turn out the light

Rachel:

Oh, Come take my hand now

Finn and Rachel:

We've got tonight, babe, why don't we stay?

We've got tonight, babe, why don't we stay
