There was a time when we were down and out  
There was a place when we were starting over  
We let the bough break, we let the heartache in  
Who's sorry now?

There was a world when we were standing still  
And for a moment we were separated  
And then you found her, you let the stranger in  
Who's sorry now, who's sorry now?

What, what kind of fool tears it apart?  
Leaving me pain and sorrow  
Losing you now, wondering why  
Where will I be tomorrow?

Forever more that's what we are  
To be without each other  
We'll be remembering when

There was a time when we were down and out  
There was a place when we were starting over  
We let the bough break, we let the heartache in  
Who's sorry now, who's sorry now?

What, what kind of fool tears it apart?  
Leaving me pain and sorrow  
Oh, losing you now, how can I win?  
Where will I be tomorrow?

Was there a moment when I cut you down  
Played around, what have I done, I only apologize  
For being as they say, the last to know, it has to show  
When someone is in your eyes

What kind of fool tears it apart?  
Leaving me pain and sorrow  
Oh, losing you now, how can I win?  
Where will I be tomorrow?

What, what kind of fool tears it apart?  
Leaving me pain and sorrow  
Losing you now, how can I win?

Where will I be tomorrow?

Forever more that's what we are  
To be without each other  
We'll be remembering when  
We'll be remembering when
