Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go

Oh, oh
Oh, oh

Yo, I'm betting you like bebop
And I'm betting you love creep mode
And I'm betting you like girls that give love to girls
And stroke your little ego
I bet I'm guilty your honor
But that's how we live in my genre
When in hell I pay rottweiler
There's only one flo, and one rida
I'm a damn shame
Order more champagne, pull it down hellstream
Tryna put it on ya
Bet your lips spin back around corner
Slow it down baby take a little longer

Can you blow my whistle baby, whistle baby

Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go

Whistle baby, whistle baby
Whistle baby, whistle baby
Whistle baby, whistle baby
Whistle baby, whistle baby

It's like everywhere I go

My whistle ready to blow
Shorty don't leave a note
She can get any by the low
Permission not approved
It's okay, it's under control
Show me soprano, cause girl you can handle
Baby we start snagging,
You come in part clothes
Girl I'm losing wing, my bugatti the same road
Show me your perfect pitch,
You got it my banjo
Talented with your lips, like you blew out candles
So amusing,
Now you can make a whistle with the music
Hope you ain't got no issue, you can do it
Give me the perfect picture, never lose it

Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go

Whistle baby, whistle baby
Whistle baby, whistle baby
Whistle baby, whistle baby
Whistle baby, whistle baby

Go girl you can work it
Let me see your whistle while you work it
I'mma lay it back, don't stop it
Cause I love it how you drop it, drop it, drop it, on me
Now, shorty let that whistle blow
Yeah, baby let that whistle blow

Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby

Here we go

Whistle baby, whistle baby
Whistle baby, whistle baby
Whistle baby, whistle baby

Whistle baby, whistle baby
Whistle baby, whistle baby

Here we go
