It's been a long time since I came around.
It's been a long time but I'm back in town.
This time I'm not leaving without you.

Oooh, just you and I,
Sharing our love together.
And I know in time,
We'll build the dreams we treasure.
We'll be alright,
Just you and I.

Something, something about this place.
(Just you and, Just you and I)
Something 'bout lonely nights and my lipstick on your
face.
(Just you and I)
Something, something about my cool Nebraska guy.
Yeah something about... baby you and I.

Just you and I (Just you and I),
Sharing our love together.
And I know in time (And I know in time),
We'll build the dreams we treasure.
And we'll be alright,
Just you and I.

Something, something about this place.
(Just you and, just you and I)
Something 'bout lonely nights and my lipstick on your
face.
(Just you and I)
Something, something about my cool Nebraska guy.
(I love you... you and I)
Yeah something about, baby you and I.

Oh you and I,
Remember our first embrace,
The smile that was on your face,
The promises that we made.
Ooooh, now your love is my reward.
As I love you even more,
Than I ever did before.

Something, something about this place.
(Just you and, just you and I)
Something 'bout lonely nights and my lipstick on your
face.
(Just you and I)
Something, something about my cool Nebraska guy.
(I love you... you and I)
Put your drinks up for Nebraska (For Nebraska)
For Nebraska, Nebraska, I love you
You and I
You, You and I
Nebraska, I'd rather die
Without you and I

We made it... you and I
