You're on the phone with your girlfriend, She's upset  
She's going off about something that you said  
She doesn't get your humour like I do

I'm in the room, it's a typical Tuesday night  
I'm listening to the kind of music she doesn't like  
And she'll never know your story like I do

But she wears short skirts, I wear t-shirts  
She's cheer captain and I'm on the bleachers  
Dreaming bout the day when you'll wake up and find  
That what you're lookin' for has been here the whole  
time

If you could see that I'm the one who understands you  
Been here all along so why can't you see?  
You belong with me  
You belong with me

Walkin' the streets with you in your worn out jeans  
I can't help thinking this is how it ought to be  
Laughing on the park bench thinkin' to myself  
Hey isn't this easy?

And you've got a smile that could light up this whole  
town  
I haven't seen it in awhile, since she brought you down  
You say you find I know you better than that  
Hey, Whatcha doing with a girl like that?

She wears high heels, I wear sneakers  
She's cheer captain and I'm on the bleachers  
Dreaming bout the day when you'll wake up and find

That what you're looking for has been here the whole  
time

If you could see that I'm the one who understands you  
Been here all along so why can't you see?  
You belong with me

Standin' by, waiting at your back door

All this time how could you not know that?  
You belong with me  
You belong with me

Oh I remember you driving to my house in the middle  
of the night  
I'm the one who makes you laugh when you know  
you're about to cry  
I know your favorite songs and you tell me about your  
dreams  
I think I know where you belong. I think I know it's with  
me.

Can't you see that I'm the one who understand you?  
Been here all along so why can't you see?  
You belong with me

Standing by or waiting at your back door  
All this time how could you not know that  
You belong with me  
You belong with me

Have you ever thought just maybe  
You belong with me  
You belong with me
