You can't always get what you want
You can't always get what you want
You can't always get what you want
But if you try sometime you'll find
You get what you need
You get what you need

I saw her today at the reception
A glass of wine in her hand
Oh I knew she was gonna meet her connection
At her feet was a footloose man

No, you can't always get what you want (Oh no no you can't)
You can't always get what you want (What you want)
You can't always get what you want (You can't always get what you want)
But if you try sometimes well you just might find
You get what you need
You get what you need

And I went down to the demonstration
To get my fair share of abuse
Singing, "We're gonna vent our frustration
If we don't we're gonna blow a 50-amp fuse"
Sing it to me now...

You can't always get what you want (No no you can't)
You can't always get what you want (No no)
You can't always get what you want (Can't always get what you want)
But if you try sometimes well you just might find (If you try sometimes)
You get what you need
You get what you need
Oh Yeah (Vocals)

You can't always get what you want (You can't always get what you want)
You can't always get what you want (Oohh)
You can't always get what you want (Can't always get what you want)

But if you try sometimes well you just might find
You get what you need

You can't always get what you want (No no no no no)
You can't always get what you want
You can't always get what you want
But if you try sometimes you just might find
You get what you need
You get what you need (You can't always get what you
want)

You get what you need
