[Finn:]

One, two

[Finn and Puck:]

One, two, three

[Finn:]

Wake up kids

We've got the dreamers disease

Age 14 we got you down on your knees

So polite, you're busy still saying please

[Sam and Puck:]

Frienemies

[Sam:]

Who when

you're down ain't your friend

[Sam and Puck:]

Every night

[Sam:]

we smash their Mercedes-Benz

[Sam and Puck:]

First we run and then

[Sam:]

we laugh till we cry

[Mercedes and Tina:]

But when the night is falling

You cannot find the light, ([Finn and Sam:] light)

If you feel your dreams are dying

Hold tight

[Finn and Sam with New Directions:]

You've got the music in you

Don't let go

You've got the music in you

One dance left

This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
We only get what we give

[Finn:]
I'm coming home, baby

[Sam:]
You're the top

[Finn and Sam:]
Give it to me now

[Finn and Sam with New Directions:]
Four a.m. we ran a miracle mile
We're flat broke but hey we do it in style
The bad rich
God's flying in for your trial

[Finn (Mercedes):]
But when the night is falling (falling)
You cannot, find a friend (find a friend)
You feel your tree is breaking
Just then

[Finn, Sam and Tina with New Directions:]
You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
We only get what we give

[Sam with New Directions:]
This whole damn world can fall apart
You'll be OK, follow your heart
You're in harms way I'm right behind
Now say you're mine

[Sam and Finn with New Directions:]
You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up

You've got a reason to live
Can't forget
We only get what we give
Don't let go
I feel the music in you

[Finn and Mercedes:]
Fly high, high
What's real can't die

[Finn:]
You only get what you give
You gonna get what you give

[Finn and Tina with New Directions:]
Just don't be afraid to leave
Health insurance rip off lying
FDA big bankers buying
Fake computer crashes dining

Cloning while they're multiplying
Fashion shoots with Beck and Hanson
Courtney Love and Marilyn Manson
You're all fakes

Run to your mansions
Come around
We'll kick you down yeah!

Don't let go
One dance left
Don't give up
Can't forget
Don't ([Mercedes:] Oooooohh)
