Marley:

Mmm...

We feel, we hear, your pain, your fear  
But we're here, to say, who you are, is okay

Blaine:

And you don't have to go through this on your own  
You're not alone

Marley:

You have more friends than you know  
Some who surround you  
Some you are destined to meet  
You'll have more love in your life

Unique:

Don't let go, give it time

Unique y Sam:

Take it slow  
Those who love you the most, may need more time to  
grow

Unique:

It's gonna be okay (Sam: It's gonna be okay)  
You have more friends than you know  
Be brave, be strong,  
You are loved, you belong

Blaine (Unique):

Some day soon (Some day soon), you will see (You will  
see)  
You're exactly

Blaine y Unique:

Who you're supposed to be

Marley:

And you don't have to go through this on your own  
(Unique: Ooh!))  
You're not (Unique: You're not!) alone (Unique: You're

not alone, no, no)

Marley con Blaine, Sam, y Unique:

You have more friends than you know

Some who surround you

Some you are destined to meet

You'll have more love in your life

Those who love you the most, (may need more time to grow)

It's gonna be okay (Blaine, Sam y Unique: Gonna be okay)

You have more friends than you know

Unique:

Be who you are

Learn to forgive

Unique con Blaine

It's not about who you love, but how you live (Blaine:

But how you live!)

Unique:

Oooooh!

Blaine (Con Unique):

(You have more friends than you know) (Unique: That you know!)

Some who surround you (Unique: Yeah!)

Some you are destined to meet

Marley y Blaine (Unique):

You'll have more (More!) love in your life
