What I want, you've got
But it might be hard to handle
Like the flame that burns the candle
The candle feeds the flame eh eh
What I've got is a full stock
Of thoughts and dreams that scatter
You pull them all together
And how I can't explain oh yeah
Well well you (I can't go for that)
You make my dreams come true
(I can't go for that, I can't go for that)
Well well well you
(I can't go for that)
Oh yeah you make my dreams come true
(I can't go for that, I can't go for that)
On a night when bad dreams become a screamer
When they're messin' with a dreamer
I can laugh it in the face
Twist and shout my way out
And wrap yourself around me
'Cause I ain't the way you found me
And I'll never be the same oh yeah
Well 'cause you (I can't go for that)
You make my dreams come true
(I can't go for that, I can't go for that)
Well well well you
(I can't go for that)
Oh yeah you make my dreams come true
(I can't go for that, I can't go for that)
Oh listen to this
I'm down on my daydream
But that sleepwalk should be over by now
I know
Yeah, you
I, I'll do anything that you want me to
I, I'll do almost anything that you want me to
You make my dreams come true (oh yeah)
I, I'll do anything that you want me to
I, I'll do almost anything that you want me to
You make my dreams come true
(I can't go for that)
You make my dreams come true

(I can't go for that, I can't go for that)
You make my dreams come true
(I can't go for that, I can't go for that)
You make my dreams come true.
