ARTIE, SAM & RYDER:

You're all I need to get by

JAKE:

Like sweet morning dew, I took one look at you
And it was plain to see you were my destiny

MARLEY:

With arms open wide I threw away my pride
I'll sacrifice for you, dedicate my life to you
I will go where you lead, always there in time of need

JAKE:

And when I lose my will you'll be there to push me up
the hill

JAKE & MARLEY:

There's no, no looking back for us
We got love sure enough, that's enough
You're all, you're all I need to get by

ARTIE, SAM & RYDER:

You're all I need to get by

JAKE:

Like an eagle protects his nest, for you I'll do my best
Stand by you like a tree and dare anybody to try and
move me

MARLEY

Darling in you I found strength where I was torn down
Don't know what's in store but together we can open
any door
Just to do what's good for you and inspire you a little
higher

JAKE:

I know you can make a man out of a soul that didn't
have a goal

MARLEY & JAKE:

'Cause we, we got the right foundation and with love
and determination
You're all, you're all I want to strive for and do a little
more
You're all, all the joys under the sun wrapped up into
one
You're all, you're all I need, you're all I need, you're all I
need to get by
