Lyrics by sfrerku

How can I just let you walk away
Just let you leave without a trace
When I stand here taking every breath with you, uhh
You're the only one who really knew me at all

How can you just walk away from me
When all I can do is watch you leave
Cuz we shared the laughter and the pain
And even shared the tears
You're the only one who really knew me at all

So take a look at me now
Now there's just an empty space
And there's nothing left here to remind me
Just a memory of your face

Oh take a look at me now
There's just an empty space
And you coming back to me is against the odds
And that's what I've gotta face

I wish I could just make you turn around
Turn around and see me cry
There's so much I need to say to you
So many reasons why
You're the only one who really knew me at all

Oh so take a look at me now
Now there's just an empty space
And there's nothing left here to remind me
Just a memory of your face

Now take a look at me now
Cuz there's just an empty space
Oh but to wait for you is all I can do
And that's what I've gotta face

Ta-take a look at me now
Cuz I'll still be standing here

And you coming back to me is against all odds
It's the chance I've gotta take

Take a look at me now
Ohh
You take a look at me now...
