When somebody loves you it's no good unless she  
loves you all the way  
Happy to be near you when you need someone to cheer  
you all the way  
Taller than the tallest tree is that's how it's got to be  
And deeper than the deep blue sea is now that's how  
deep it goes if it's real  
When somebody needs you it's no good unless she  
needs you all the way  
Through the good or lean years and through all the  
end between it come what may  
Who knows where the love will lead us only a fool would  
say  
But if you let me love you it's for sure I'm gonna love  
you all the way  
Darling all the way  
(Who knows where the love will lead us only a fool  
would say)  
But if you let me love you it's for sure I'm gonna love  
you all the way all the way
