Well, I know what you're doing  
I see it all too clear  
I only taste the saline when I kiss away your tears  
You really had me going, wishing on a star  
But the black holes that surround you are heavier by far  
I believed in your confusion, you were so completely  
torn  
It must've been that yesterday was the day that I was  
born  
There's not much to examine, there's nothing left to  
hide  
You really can't be serious, if you have to ask me why  
I say goodbye...

'Cause I am barely breathing  
And I can't find the air  
Don't know who I'm kidding  
Imagining you care  
And I could stand here waiting  
A fool for another day  
I don't suppose it's worth the price,  
You're worth the price  
The price that I would pay

Well everyone keeps asking, what's it all about?  
I used to be so certain and I can't figure out  
What is this attraction? I only feel the pain  
There's nothing left to reason and only you to blame  
Will it ever change?

'Cause I am barely breathing  
And I can't find the air  
Don't know who I'm kidding  
Imagining you care  
And I could stand here waiting  
A fool for another day  
I don't suppose it's worth the price,  
You're worth the price  
The price that I would pay  
But I'm thinking it over anyway...  
I'm thinking it over anyway...

Ooh...

I've come to find,  
I may never know  
Your changing mind  
Is it friend or foe?

I rise above  
Or sink below  
With every time  
You come and go  
Please don't come and go

'Cause I am barely breathing  
And I can't find the air  
I don't know who I'm kidding  
Imagining you care  
And I could stand here waiting  
A fool for another day  
I don't suppose it's worth the price,  
You're worth the price  
The price that I would pay  
But I'm thinking it over anyway...  
I'm thinking it over anyway...

And I know what you're doing  
I see it all too clear...
