"Bein' Green"

It's not that easy bein' green
Having to spend each day the color of the leaves
When I think you could be nicer being red or yellow or
gold
Or something much more colorful like that

It's not that easy being green
It seems you blend in with so many other ordinary
things
And people tend to pass you over
Cause you're not standing out like flashy sparkles in
the water
Or stars in the sky

But green's the color of spring
And green can be cool and friendly-like
And green can be big like a ocean
or important like a mountain
Or tall like a tree

When green is all that is to be
It could be you wonder
Bu Why wonder, why wonder
I am green, and that'll do just fine
And it's beautiful, and i think it's i wanna be
