"Blue Christmas"

I'll have a blue Christmas without you
I'll be so blue just thinking about you
Decorations of red on a green Christmas tree
Won't be the same if you're not here with me

And when those blue snowflakes start falling
That's when those blue memories start calling
You'll be doing alright with your Christmas of white
But I'll have a blue, blue blue blue Christmas

Decorations of red on a green Christmas tree
Won't be the same if you're not here with me

I'll have a blue Christmas, that's certain
And when that blue heartache stops hurting
You'll be doing alright with your Christmas of white
But I'll have a blue, blue Christmas
