Way down in Bowling Green the prettiest girls I've ever  
seen  
A man in Kentucky sure is lucky to love down in Bowling  
Green  
Bowling Green folks treat you kind better you think your  
own mind  
A man in Kentucky sure is lucky in Bowling Green you  
walk your own line  
Kentucky sunshine makes the heart unfold  
It warms your body and I know it touches the soul  
The bluegrass is fine Kentucky owns my mind

Fields down in Bowling Green have the softest grass  
I've ever seen  
A man in Kentucky sure is lucky to lie down in Bowling  
Green  
[ strings - dobro ]  
Kentucky sunshine makes the heart unfold...  
Bowling Green girls treat you right they wear dresses  
cut country tight  
A man in Kentucky sure is lucky he seen the Bowling  
Green night  
A man in Kentucky well he sure is lucky he seen the  
Bowling Green night  
A man in Kentucky well he sure is lucky he seen the  
Bowling Green night
