Baby oh baby tell the man at the ticket stand that  
you've changed your mind  
Let me run outside and tell the cab to keep his meter  
flyin'  
Cause if you say goodbye to me babe you're gonna  
break my mind  
Break my mind break my mind  
No I just can't stand to hear them big jet engines whine  
Break my mind break my mind oh Lord  
If you leave you're gonna leave a babblin' fool behind

Oh baby oh baby let me keep your suitcase off of the  
scales in time  
Tell the man that you've suddenly developed a thing  
about flyin'  
Cause if you say goodbye to me girl you're gonna  
break my mind  
Break my mind break my mind...  
Break my mind break my mind...  
Baby break my mind break my mind...
