It's as simple as something that nobody knows
that her eyes are as big as her bubbly toes
on the feet of a queen of the hearts of the cards
and her feet are all covered with tar balls and scars

It's as common as something that nobody knows that
her beauty will
follow wherever she goes
up the hill in the back of her house in the wood
she'd love me forever,
I know she could

I remember when,
you and me,
mmm how we used to be just good friends
Wouldn't give me none
But all I wanted was some

She's got a whole lot of reasons
she cant think of a single one
That can justify leaving

problems
and he got, too much time to waste

His dreams are like commercials
But her dreams are picture perfect and Our
dreams are so related though they're often
underestimated

It's as simple as something that nobody knows that
Her eyes are as big as her bubbly toes
On the feet of the queen of the hearts of the card
feet are infested with tar balls

You go with the flow
You don't stop
Move like a jellyfish
Rhythm is nothing
You go with the flow
You don't stop mmm
