This is a story about control  
My control  
Control of what I say  
Control of what I do  
And this time I'm gonna do it my way

When I was 17 I did what people told me, uhh  
Did what my father said, and let my mother mold me  
But that was long ago

I'm in  
Control  
Now I've got a lot  
Control  
To get what I want  
Control  
Never gonna stop  
Control  
Now I'm all grown up

Jam, wooh wooh  
Rebel, that's right

Got my own mind  
I wanna make my own decisions  
When it has to do with my life, my life  
I wanna be the one in control

So let me take you by the hand, and lead you on this  
dance  
It's what I got, because I took a chance  
I don't wanna rule the world, just wanna run my life,  
Ooh  
So make your life a little easier  
When you get the chance just take

Just take control  
Control, ooh ooh  
Now I've got a lot, ooh  
Control  
Now I'm all grown up, ow!

Free, at last  
Ooh ooh ooh yeah, eee  
Now control this, uhh

Cause I've got my own mind  
Gonna make my own decisions  
When it has to do with my life  
I wanna be the one in control

I'm in control  
Uhh  
I'm in control  
Ahh  
I'm in control  
Uhh  
I'm in control  
Ahh
