You might wake up some morning
To the sound of something moving past your window in
the wind
And if you're quick enough to rise
You'll catch the fleeting glimpse of someone's fading
shadow
Out on the new horizon you may see the floating
motion of a distant pair of wings
And if the sleep has left your ears
You might hear footsteps running through an open
meadow
Don't be concerned it will not harm you
It's only me pursuing something I'm not sure of
Across my dreams with nets of wonder I chase the
bright elusive butterfly of love

You might have heard my footsteps
Echo softly in the distance through the canyons of your
mind
I might have even called your name as I ran searching
after something to believe in You might have seen me
runnin'
Through the long abandoned ruins of the dreams you
left behind
If you remember something there
That glided past you followed close by heavy breathing
Don't be concerned it will not harm you
It's only me pursuing something I'm not sure of
Across my dreams with nets of wonder I chase the
bright elusive butterfly of love
I chase the bright butterfly of love I chase the bright
butterfly of love
Bu-bu-bu-butterfly of love bu-bu-bu-butterfly of love
