Welcome to your life
There's no turning back
Even while we sleep
We will find you
Acting on your best behavior-Turn your back on Mother
Nature
Everybody wants to rule the world.

It's my own design
It's my own remorse
Help me to decide
Help me make the most
Of freedom and of pleasure
Nothing ever lasts forever
Everybody wants to rule the world.

There's a room where the light won't find you
Holding hands while the walls come tumbling down
When they do I'll be right behind you.
So glad we've almost made it
So sad they had to fade it
Everybody wants to rule the world.

I can't stand this indecision
Married with a lack of vision
Everybody wants to rule the world
Say that you'll never never never need it
One headline why believe it?
Everybody wants to rule the world.

All for freedom and for pleasure
Nothing ever lasts forever
Everybody wants to rule the world.
