I see you drivin round town with the guy I love
And I'm like, forget you
I guess the change in my pocket Wasn't enough
I'm like, forget you and forget him too

Said, if I was richer, I'd still be with ya
Huh, now ain't that some sh.. (Ain't that some sh..)
And although there's pain in my chest
I still wish you the best with a
Forget you

Yeah I'm sorry, I can't afford a Ferrari,
But that don't mean I can't get you there
I guess she's an Xbox and I'm more an Atari,
Mmm, but the way you play your game ain't fair

I pity the fool that falls in love with you
(Ooo, she's a gold digger)
Well
(Just thought you should know nig**)
Ooooooh
I've got some news for you
Yeah, go run and tell your little girlfriend

I see you drivin round town with the guy I love
And I'm like, forget you
I guess the change in my pocket wasn't enough
I'm like, forget you and forget him too

Said, if I was richer, I'd still be with ya
Now ain't that some sh.. (Ain't that some sh..)
And although there's pain in my chest
I still wish you the best with a
Forget you

Now I know, that I had to borrow,
Beg and steal and lie and cheat
Trying to keep ya, trying to please ya
Cause being in love with your face ain't cheap

I pity the fool that falls in love with you
(Ooo, she's a gold digger)

Well
(Just thought you should know nig**)
Ooooooh
I've got some news for you
Oo, I really hate you right now

I see you drivin round town with the guy I love
And I'm like, forget you
I guess the change in my pocket wasn't enough
I'm like, forget you and forget him too

Said, if I was richer, I'd still be with ya
Huh, now ain't that some sh.. (Ain't that some sh..)
And although there's pain in my chest
I still wish you the best with a
Forget you

Now baby, baby, baby, why d'you wanna wanna hurt
me so bad?
(So bad, so bad, so bad)
I tried to tell my mamma but she told me
"This is one for your dad"
(Your dad, your dad, your dad)
(Uh!) Why? (Uh!) Why? (Uh!)
Why baby? (Uh!) I love you
I still love you
Oooh!

I see you drivin round town with the guy I love
And I'm like, forget you (Forget you)
I guess the change in my pocket wasn't enough
I'm like, forget you and forget him too

Said, if I was richer, I'd still be with ya
Huh, now ain't that some sh.. (Ain't that some sh..)
Although there's pain in my chest
I still wish you the best with a
Forget you
