These are sung over the top of one another

[Rachel]

So long sad times  
Go along bad times  
We are rid of you at last

Howdy gay times  
Cloudy gray times  
You are now a thing of the past  
Happy days are here again

The skies above are clear again  
So let's sing a song of cheer again  
Happy days are here again

Altogether shout it now  
There's no one  
Who can doubt it now  
So let's tell the world about it now

Happy days are here again  
Your cares and troubles are gone  
There'll be no more from now on  
From now on...

Happy days are here again  
The skies above are clear again  
So, Let's sing a song of cheer again

[Kurt]  
orget your troubles  
Come on get happy  
You better chase all you cares away  
Shout halleluja  
Come on get happy  
Get ready for the judgement day

The sun is shining  
Come on get happy  
The lord is waiting to take your hand

Shout halleluja  
Come on get happy  
We're going to the promise land

We're heading across the river  
Wash your sins away in the tide  
It's all so peaceful on the other side

Forget your troubles  
Come on get happy  
You better chase all you cares away  
Shout halleluja  
Come on get happy  
Get ready for the judgement day

Forget your troubles  
Come on get happy  
Chase your cares away  
Hallelu get happy  
Before the judgement day

The sun is shining  
Come on get happy  
The lord is waiting to take your hand  
Shout halleluja  
Come on get happy  
We're gonna be going to the promise land

We're heading across the river  
Wash your sins away in the tide  
It's quiet and peaceful on the other side

Forget your troubles  
Get happy  
Your cares fly away  
Shout halleluja  
Get happy  
Get ready for your judgement day

Come on get happy  
Chase your cares away  
Shout halleluja  
Come on get happy  
Get ready for the judgement day

The sun is shining  
Come on get happy  
The lord is waiting to take your hand  
Halleluja  
Come on get happy  
We're going to the promise land

We're heading across the river  
Wash your sins away in the tide  
It's all so peaceful on the other side

Shout halleluja  
Come on get happy  
You better chase all your cares away  
Shout halleluja  
Come on get happy  
Get ready  
Get ready  
Get ready  
For the judgement day

[Both]  
Happy times  
Happy nights  
Happy days  
are here again  
Are here again!
