What have I done? I wish I could run
Away from this ship goin' under
Just tryin' to help, hurt everyone else
Now I feel the weight of the world is
On my shoulders

What can you do when your good isn't good enough?
When all that you touch tumbles down?
'Cause my best intentions keep making a mess of things
I just wanna fix it somehow
But how many times will it take?
Oh, how many times will it take for me?
To get it right
To get it ri-igh-ight

Can I start again with my faith shaken?
'Cause I can't go back and undo this
I just have to stay and face my mistakes
But if I get stronger and wiser
I'll get through this

What can you do when your good isn't good enough?
When all that you touch tumbles down?
'Cause my best intentions keep making a mess of things
I just wanna fix it somehow
But how many times will it take?
Oh, how many times will it take for me?
To get it right

So I throw up my fist
Throw a punch in the air
And accept the truth that sometimes life isn't fair
Yeah, I'll send down a wish
Yeah, I'll send up a prayer
And finally, someone will see

How much I care!

What can you do when your good isn't good enough?
When all that you touch tumbles down?
'Cause my best intentions keep making a mess of things
I just wanna fix it somehow
But how many it times will it take?
Oh, how many times will it take for me?
To get it right
To get it ri-igh-ight
