She take my money, when I'm in need  
Yeah she's a triflin' friend indeed  
Oh she's a gold digger way over time  
That digs on me

[Chorus:]

(She give me money)

Now I ain't sayin' she a gold digger (When I'm in need)

But she ain't messin' wit no broke broke (She give me money)

Now I ain't sayin' she a gold digger (When I'm in need)

But she ain't messin' wit no broke broke (I gotta leave)

Get down girl, go 'head get down (I gotta leave)

Get down girl, go 'head get down (I gotta leave)

Get down girl, go 'head get down (I gotta leave)

Get down girl, go 'head

Met her at a beauty salon

With a baby Louis Vuitton

Under her under arm

Far as girls you got a flock

I can tell by ya charm and ya arm

But I'm lookin' for the one

Have you seen her?
