You're having my baby,
What a lovely way of saying how much you love me,
You're having my baby,
What a lovely way of saying what you're thinking of me
I can see it, your face is glowing,
I can see it in your eyes, I'm happy you know it
That you're having my baby,
You're the woman I love, & I love what it's doing to ya,
You're Having my baby,
You're a woman in love and I love what's going through
ya,
The need inside you, I see it showing,
Oh the seed inside you,
Baby do you feel it growing,
Are you happy you know it,
That your having my Baby,
You're the woman I love, & I love what it's doing to ya,
You're Having my baby,
You're a woman in love and I love what's going through
ya,
Didn't have to keep it, wouldn't put you through it,
You could of swept it from your live,

But you wouldn't do it, no you wouldn't do it.

And your having my Baby,

Your the woman I love, & I love what it's doing to ya,

You're Having my baby,

You're a woman in love and I love what's going through
ya,

You're having my Baby,

Your the woman I love, & I love what it's doing to ya,

And You're Having my baby,

You're a woman in love and I love what's going through
ya,

Yeah You're Having my baby
