Hey over there
Please forgive me
If I'm coming on too strong

Hate to stare
But you're winning
And they're playing my favorite song

So come near a little closer
Wanna whisper in your ear
Make it clear, little question
Wanna know just how you feel

If I said my heart was beating loud
If we could escape the crowd some how
If I said I want your body now
Would you hold it against me

Cause you feel like paradise
And I need a vacation tonight
So if I said I want your body now
Would you hold it against me

Hey you might think
That I'm crazy
But you know I'm just your type
I might be little hazy
But you just cannot deny

There's a spark in between us
When we're dancin' on the floor
I want more, wanna see it
So I'm askin' you tonight

If I said my heart was beating loud
If we could escape the crowd some how
If I said I want your body now
Would you hold it against me

Cause you feel like paradise
And I need a vacation tonight

So if I said I want your body now
Would you hold it against me

If I said I want your body
Would you hold it against me?

Give me something good
Don't wanna wait I want it now (now, now, now)
Pop it like a hood
And show me how you work it out

All right
If I said my heart was beating loud
If I said I want your body now
Would you hold it against me?

If I said my heart was beating loud
If we could escape the crowd some how
If I said I want your body now
Would you hold it against me

Cause you feel like paradise
And I need a vacation tonight
So if I said I need your body now
Would you hold it against me
