Finn:

What I want you've got
It might be hard to handle
Like the flame that burns the candle
The candle feeds the flame
Eh Eh

What I've got's full stock
Of thoughts and dreams that scatter
You pull them all together
And how I can't explain
Ah Yeah!

Finn and New Directions:

Well well you
I can't go for that
You make my dreams come true
I can't go for that
I can't go for that

Well well well you
I can't go for that
Oh yeah
You make my dreams come true
I can't go for that
I can't go for that

Rory and Quinn:

On a night when bad dreams
Become a screamer
When they're messin' with the dreamer
I can laugh it in the face

Twist and shout my way out
And wrap yourself around me
'Cause I ain't the way you found me
And I'll never be the same
Oh yeah
Well 'cause you

Finn and New Directions:

I can't go for that
You make my dreams come true
I can't go for that
I can't go for that
Well well well you

I can't go for that
Oh yeah
You make my dreams come true
I can't go for that
I can't go for that

Finn:
Oh, Listen to this

Quinn:
Yeah!

Finn:
Ooooh

Finn and Quinn:
I'm down on my daydream
But that sleepwalk should be over by now
I know
Yeah!

New Directions Boys:
I'll do anything

New Direction Girls:
That you want me to
I'll do almost anything

New Direction Boys:
You make my dreams come true
I'll do anything

New Direction Girls:
That you want me to
I'll do almost anything

Finn and New Directions:
You make my dreams come true
I can't go for that
You make my dreams come true
I can't go for that
I can't go for that

I've been waiting for, waiting for,
Waiting for, waiting for, waiting for,

Waiting for, waiting for

You make my dreams come true

I can't go for that

I can't go for that

You make my dreams come true
