Share my life, take me for what I am  
Cause I'll never change all my colors for you  
Take my love, I'll never ask for too much  
Just all that you are and everything that you do

I don't really need to look  
Very much further  
I don't want to have to go  
Where you don't follow  
I won't hold it back again  
This passion inside  
I can't run from myself  
There's nowhere to hide  
Don't make me close one more door  
I don't wanna hurt anymore  
Stay in my arms if you dare  
Or must I imagine you there  
Don't walk away from me  
I have nothing, nothing, nothing  
If I don't have you  
You see through, right to the heart of me  
You break down my walls  
With the strength of your love  
I never knew love like I've known it with you  
Will a memory survive  
One I can hold on to  
I don't really need to look very much further  
I don't want to have to go where you don't follow  
I won't hold it back again  
This passion inside  
I can't run from myself  
There's nowhere to hide  
Your love I'll  
Remember forever

Don't make me close  
One more door  
I don't wanna hurt anymore  
Stay in my arms if you dare  
Or must I imagine you there  
Don't walk away from me

I have nothing, nothing, nothing  
If I don't have you  
Don't make me close  
One more door  
I don't wanna hurt anymore

Stay in my arms if you dare  
Or must I imagine you there  
Don't walk away from me  
Don't walk away from me  
Don't you dare walk away from me  
I have nothing, nothing, nothing  
If I don't have you
