Tina and Kitty:

I got this feeling on the summer day when you were gone

I crashed my car into the bridge

I watched, I let it burn

I threw your stuff into a bag and pushed it down the stairs

I crashed my car into the bridge

Brittany, Kitty and Tina with New Direction Girls:

I don't care, I love it

I don't care!

I don't care, I love it

Unique with New Direction Girls:

You're on a different road, I'm in the Milky Way

You want me down on Earth, but I am up in space

You're so damn hard to please, we gotta kill this switch

You're from the 70's (and New Directions Girls: but I'm a 90's bitch!)
