If you could read my mind love what a tale my thoughts  
could tell  
Just like an old time movie about a ghost from a  
wishing well  
In a cast the dark of a fortress strong with chains upon  
my feet  
You know that ghost is me and I won't ever be set free  
As long as I'm a ghost that you can't see

If I could read your mind love what a tale your thoughts  
could tell  
Just like a paper back novel the kind the drug stores  
sell  
Then you reached the part where the heartaches come  
The hero would be me but heroes often fail  
And you won't read that book again because the  
ending's just too hard to take

I'd walk away like a movie star who gets burned in a  
three way script enter No 2  
A movie queen to play the scene of bringin' all the  
good things out in me  
But for now love let's be real  
I never thought I could feel this way  
And I've got to say that I just don't get it  
I don't know where we went wrong  
But the feelin' is gone and I just can't get it back  
If you could read my mind love...  
But stories always end and If you read between the  
lines  
You'd know that I'm just tryin' to understand the feelin's  
that you lack  
I never thought I could feel this way and I've got to say  
that I just can't get it back
