Blaine:

Friday night you and your boys went out to eat
Then they hung out
But you came home around three, yes you did
If six of y'all went out
Then four of you were really cheap
'Cause only two of you had dinner
I found your credit card receipt

It's not right, but it's okay
I'm gonna make it anyway
Pack your bags up and leave
Don't you dare come running back to me
It's not right, but it's okay
I'm gonna make it anyway
Close the door behind you, leave your key
I'd rather be alone than unhappy

I'll pack your bags
So you can leave town for a week, yes I am
The phone rings and then you look at me
You said it was one of your friends
Down on 54th Street, boy
So why did 2-1-3
Show up on your caller ID?

It's not right, but it's okay
I'm gonna make it anyway
Pack your bags up and leave
Don't you dare come running back to me
It's not right, but it's okay
I'm gonna make it anyway
Close the door behind you, leave your key
I'd rather be alone than unhappy

New Directions Girls (Blaine) :

I have been through all of this before (I've been
through all this before)
So how would you think (Don't think about, don't think
about it)
That I could stand around and take some more? (Get

goin', get gone)
Things are gonna change (Things are goin' to change
baby)
'Cos I don't wanna be a fool anymore (You don't stand
no chance, boy)
That's why you have to leave
(I say yeah, yeah, yeah, yeah, yeah, yeah, yeah,
yeahhh)
So don't turn around to see my face (Don't turn around)

Blaine:

There's no more tears left here for you to see
Was it really worth you going out like that?
Tell me, was it really worth you going out like that?
See I'm moving on and I refuse to turn back
See all of this time
I thought I had somebody down for me
It turns out you were making a fool of me

New Directions (Blaine):

It's not right, but it's okay (It's not right, it's okay)
I'm gonna make it anyway (I'm gonna, I'm gonna,
yeahhh)
Pack your bags up and leave (Close the door and leave
your keys)
Don't you dare come running back to me
(I'd rather be alone than unhappy)
It's not right, but it's okay (It's not right, it's okay baby)
I'm gonna make it anyway (I can pay my own rent)
Close the door behind you (Pay my light bills)
Leave your key (Take care of my business)
I'd rather be alone (Oh, oh)
Than unhappy (Ohhh)
