And now the end is near and so I face the final curtain
My friend I'll say it clear I'll state my case of which I'm
certain
I've lived a life that's full I traveled each and every
highway
And more much more than this I did it my way
Regrets I've had a few but then again too few to
mention
I did what I had to do and saw it through without
exemption
I planned each chartered course each careful step
along the byway
And more much more than this I did it my way
Yes there were times I'm sure you knew when I bit off
more than I could chew
But through it all when there was doubt I ate it up and
spit it out
I faced it all and I stood tall and did it my way
I've lived I've laughed and cried I've had my fill my
share of losing
And now as tears subside I find it all so amusing
To think I did all that and may I say not in a shy way
Oh no oh no not me I did it my way
For what is a man what has he got if not himself then
he has not
To say the things he truly feels and not the worlds of
one who kneels
The record shows I took the blows and did it my way
yes it was my way
