Shelby:

You won't find him drinking under tables
Rolling dice or staying out til 3
You won't ever find him being unfaithful
You will find him, you'll find him next to me

Rachel:

You won't find him trying to chase the devil
For money, fame, for power, out of grief
You won't ever find him where the rest go
You will find him, you'll find him next to me

Rachel:

Next to me ooooh

Shelby:

Next to me ooooh

Rachel and Shelby:

Next to me ooooh
You will find him, you'll find him next to me

Rachel:

When the money's spent
And all my friends have vanished
And I can't seem to find no help or love for free

Shelby:

I know there's no need for me to panic
'Cause I'll find him, I'll find him next to me

Rachel:

Oh, the skies are grey
And all the doors are closing

Shelby:

And the rising pressure makes it hard to breathe
(Rachel: Hard to breathe)

Rachel and Shelby:

When all I need is a hand to stop the tears from falling

I will find him, I'll find him next to me

Rachel (Shelby):
Next to me (Next to me)

Rachel and Shelby:
Ooooh

Rachel (Shelby):
Next to me (Next to me)

Rachel and Shelby:

Rachel and Shelby:

Rachel:
When the end has come and buildings falling down
fast

Shelby:
When we spoilt the land and dried up all the sea

Rachel:
When everyone has lost their heads around us

You will find him, you'll find him next to me
