Listen to the ground  
There is movement all around  
There is something goin' down  
And I can feel it

On the waves of the air  
There is dancin' out there  
If it's something we can share  
We can steal it

And that sweet city woman  
She moves through the light  
Controllin' my mind and my soul  
When you reach out for me, girl  
And the feelin' is right

#### CHORUS

Then I get that  
Night Fever, Night Fever  
We know how to do it  
Gimme that  
Night Fever, Night Fever  
We know how to show it

Here I am  
Praying for this moment to last  
Livin' on the music so fine  
Born on the wind  
Making it mine

#### CHORUS

In the heat of our love  
Don't need no help for us to make it  
Gimme just enough to take us to the mornin'  
I got fire in my mind  
I get higher in my walkin'  
And I'm glowing in the dark  
I give you warning

And that sweet city woman

She moves through the light  
Controllin' my mind and my soul  
When you reach out for me, girl  
And the feelin' is right

CHORUS

Here I am  
Praying for this moment to last  
Livin' on the music so fine  
Born on the wind  
Making it mine

CHORUS
