Sometimes myself runs back to you I just can't tell me
what to do

Cause I remember when how right it felt within
The shelter of your arms where I would stay
Once more with feeling once more with feeling
Won't you hold me till the night turns into day
I still remember when all wrapped up tight within
The shelter of your arms where I would stay

Sometimes I let me get these blues sometimes my old
destroys my news

But I remember when all wrapped up tight within
The shelter of your arms I used to stay
Once more with feeling...
Once more with feeling...
