April Rhodes
One less bell to answer
One less egg to fry
One less man to pick up after
I should be happy
But all I do is cry

Will Schuester
I cry no more laughter
April Rhodes
Oh I should be happy
Will Schuester
Oh why did she go
April Rhodes
I only know that since he left
My life's so empty
Though I try to forget it just can't be done
Each time the doorbell rings
I still run

Will Schuester and April Rhodes
I don't know how in the world
April Rhodes
To stop thinking of him
Will Schuester
I should be happy
April Rhodes
'Cause I still love him so

April Rhodes
I end each day the way I started
Crying my heart out
Will Schuester
(Start and end each day crying)
One less bell to answer
April Rhodes
One less egg to fry one less man
Will Schuester
(One less man)
To pick up after
No more laughter, no more love
Since he went away

Will Schuester
Since he went away
April Rhodes
Since he went away uuuuh

April Rhodes
A chair is still a chair
Even when there's no one sitting there
Oh, I'm not meant to live alone
Turn this house into a home
When I climb the stairs and turn the key
Oh please, be there
Still in love with me

Will Schuester
One less bell to answer
April Rhodes
Each time the doorbell rings I still run
Will Schuester
One less egg to fry

I got one less man to pick up after
(No more laughter)
No more laughter, no more love
Since he went away,
(Since he went away)
Since he went away all I do is cry
