Is it getting better
Or do you feel the same
Will it make it easier on you now
You got someone to blame
You say

One love, One life
When it's one need
In the night
One love
We get to share it
Leaves you baby if you
Don't care for it

Did I disappoint you
Or leave a bad taste in your mouth
You act like you never had love
And you want me to go without
Well it's

Too late tonight
To drag the past out into the light
We're one, but we're not the same
We get to carry each other
Carry each other
One, yeah, One, oooh

Have you come here for forgiveness
Have you come to raise the dead
Have you come here to play Jesus
To the lepers in your head

Did I ask too much
More than a lot
You gave me nothing
Now it's all I got
We're one but we're not the same
Well we hurt each other
Then we do it again
You say
Love is a temple
Love is a higher law

Love is a temple
Love is a higher law
You ask for me to enter
But then you make me crawl
And I can't keep holding on
To what you got
When all you got is hurt

One love, One blood, One life
You got to do what you should
One life with each other
Sisters and my brothers
One life but we're not the same
We get to
Carry each other
Carry each other

One, one, one, one
