Well I remember every little thing  
As if it happened only yesterday  
Parking by the lake  
And there was not another car in sight  
And I never had a girl  
Looking any better than you did  
And all the kids at school  
They were wishing they were me that night  
And now our bodies are oh so close and tight  
It never felt so good, it never felt so right  
And we're glowing like the metal on the edge of a knife  
Glowing like the metal on the edge of a knife  
C'mon! Hold tight!  
C'mon! Holdtight!  
Though it's cold and lonely in the deep dark night  
I can see paradise by the dashboard light

GIRL:  
Ain't no doubt about it  
We were doubly blessed  
'Cause we were barely seventeen  
And we were barely dressed  
Ain't no doubt about it  
Baby got to go and shout it  
Ain't no doubt about it  
We were doubly blessed

BOY:  
'Cause we were barely seventeen  
And we were barely dressed  
Baby don't ya hear my heart  
You got it drowning out the radio  
I've been waiting so long  
For you to come along and have some fun  
And I gotta let you know  
No you're never gonna regret it  
So open up your eyes I got a big surprise  
It'll feel all right  
I wanna make your motor run  
And now our bodies are oh so close and tight  
It never felt so good, it never felt so right

And we're glowing like the metal on the edge of a knife  
Glowing like the metal on the edge of a knife  
C'mon! Hold tight!  
C'mon! Hold tight!

Though it's cold and lonely in the deep dark night  
I can see paradise by the dashboard light  
Though its cold and lonely in the deep dark night  
In The deep dark night  
Paradise by the dashboard light  
You got to do what you can  
And let Mother Nature do the rest  
Ain't no doubt about it  
We were doubly blessed  
'Cause we were barely seventeen  
And we were barely-

We're gonna go all the way tonight  
We're gonna go all the way  
And tonight's the night...  
We're gonna go all the way tonight  
We're gonna go all the way  
And tonight's the night...

#### RADIO BROADCAST

OK, here we go, we got a real pressure cooker going here,  
Two down, nobody on, no score, bottom of the ninth,  
There's the windup, and there it is, a line shot up the middle,  
Look at him go. This boy can really fly! He's rounding first and really  
turning it on now, he's not letting up at all, he's gonna try for  
second; the ball is bobbled out in center, and here comes the  
throw, and what a throw! He's gonna slide in head first, here he  
comes, he's out! No, wait, safe-safe at second base, this kid  
really makes things happen out there. Batter steps up to the  
plate, here's the pitch-he's going, and what a jump he's got,  
he's trying for third, here's the throw, it's in the dirt-safe at  
third! Holy cow, stolen base! He's taking a pretty big lead out  
there, almost daring him to try and pick him off. The pitcher  
glances over, winds up, and it's bunted, bunted down

the third  
base line, the suicide squeeze is on! Here he comes,  
squeeze  
play, it's gonna be close, here's the throw,  
here's the play at the plate holy cow,  
I think he's gonna make it!

## II. LET ME SLEEP ON IT

GIRL:

Stop right there!  
I gotta know right now!  
Before we go any further!  
Do you love me?  
Will you love me forever?  
Do you need me?  
Will you never leave me?  
Will you make me so happy for the rest of my life?  
Will you take me away and will you make me your wife?  
Do you love me!?  
Will you love me forever!?  
Do you need me!?  
Will you never leave me!?  
Will you make me so happy for the rest of my life!?  
Will you take me away and will you make me your

### III. PRAYING FOR THE END OF TIME

I couldn't take it any longer  
Lord I was crazed  
And when the feeling came upon me  
Like a tidal wave  
I started swearing to my god and on my mother's  
grave  
That I would love you to the end of time  
I swore that I would love you to the end of time!  
So now I'm praying for the end of time  
To hurry up and arrive  
'Cause if I gotta spend another minute with you  
I don't think that I can really survive  
I'll never break my promise or forget my vow  
But God only knows what I can do right now  
I'm praying for the end of time  
It's all that I can do  
Praying for the end of time,  
So I can end my time with you!!

BOY:  
It was long ago and it was far away  
And it was so much better that it is today

GIRL:  
it never felt so good it never felt so right  
we were glowing like the metal on the edge of a knife
