### "Place In The Sun"

Like a long lonely stream I keep running for the dream  
moving on moving on  
Like a branch on a tree I keep reaching to be free  
moving on moving on  
There's a place in the sun where there's hope for  
everyone  
Where my poor restless heart's gotta run  
There's a place in the sun and before my life is done  
gotta find me a place in the sun

Like a dusty old road I get weary from the load moving  
on moving on  
Like this tired troubled earth I've been running since  
my birth moving on moving on  
There's a place in the sun...
