face to face and heart to heart  
we're so close, yet so far apart  
i close my eyes i look away  
that's just because i'm not okay

but i hold on, i stay strong  
wondering if we still belong

will we ever say the words we're feeling  
reach down underneath and tear down all the walls  
will we ever have a happy ending  
or will we forever only be pretending  
will we a-a-a-always a-a-a-always a-a-a-always be pretending

how long do i fantasize  
make believe that it's still alive  
imagine that i am good enough  
and we can choose the ones we love

but i hold on, i stay strong  
wondering if we still belong

will we ever say the words we're feeling  
reach down underneath and tear down all the walls  
will we ever have a happy ending  
or will we forever only be pretending  
will we a-a-a-always a-a-a-always a-a-a-always be

keeping secrets safe  
every move we make  
seems like no one's letting go  
and it's such a shame  
cause if you feel the same  
how am i supposed to know

will we ever say the words we're feeling

reach down underneath and tear down all the walls  
will we ever have a happy ending  
or will we forever only be pretending  
will we a-a-a-always a-a-a-always a-a-a-always be (pretending)  
will we a-a-a-always a-a-a-always a-a-a-always be (pretending)  
will we a-a-a-always a-a-a-always a-a-a-always be pretending
