Oooh-oh (x4)

Mercedes:

She, she ain't real

She ain't gon' be able to love you like I will

She, is a stranger

You and I have history, now don't you remember?

Sure, she's got it all

But baby is that really what you want?

Bless your soul, you got your head in the clouds

She made a fool out of you and, boy, she's bringing
you down

She made your heart melt but you're cold to the core

Now rumour has it, she ain't got your love anymore

Brittany and Troubletones:

Rumour has it (oooh-oh)

(Rumour)

Rumour has it (oooh-oh)

(Rumour)

Rumour has it (oooh-oh)

(Rumour)

Rumour has it (oooh-oh)

(Rumour)

Santana (with Troubletones singing background
vocals):

(Brittany and The Troubletones: Rumour has it x7)

Don't forget me, I beg, I remember you said

(oooh-oh)

I heard that you settled down

(oooh-oh)

That you found a girl and you're married now

(oooh-oh)

I heard that your dreams came true

(oooh-oh)

Guess she gave you things I didn't give to you

Mercedes (with Troubletones):

Woooah, Rumour has it

(Brittany and The Troubletones: Rumour has it, Rumour has it)
Yeah Baby

But rumour has it I'm the one you're leaving her for
