Some of them men think they freak this like we do  
But no they don't  
Make your cheque come at they neck  
Disrespect us no they won't

This goes out to all my girls that's in the club rocking  
the latest  
Who could buy it for themselves and get more money  
later  
I think I need a barber  
None of these bitches can fade me  
I'm so good with this  
I remind you I'm so hood with this

Boy I'm just playing  
Come here baby  
Hope you still like me  
If you hate me  
My persuasion can build a nation  
Endless power our love we can devour  
You'll do anything for me  
Who run the world? Girls

To other men that respect what I do please accept my  
shine  
Boy you know you love it how we're smart enough to  
make these millions  
Strong enough to bear the children then get back to  
bidness  
You better not play me oh come here baby
