Well we got no choice
All the girls and boys
Makin' all that noise
'Cause they found new toys

Well we can't salute ya
Can't find a flag
If that don't suit ya
That's a drag

School's out for summer!
School's out forever!
School's been blown to pieces!

No more pencils
No more books
No more teachers dirty looks

Well we got no class
And we got no principles
And we got no innocence
We can't even think of a word that rhymes

School's out for summer!
School's out forever!
My School's been blown to pieces!

School's out for summer!
School's out forever!
I'm bored to pieces!

Out for summer
Out till fall
We might not go back at all

School's out for ever
School's out for summer
School's out with fever
School's out completely
