Some nights, I stay up cashing in my bad luck  
Some nights, I call it a draw  
Some nights, I wish that my lips could build a castle  
Some nights, I wish they'd just fall off

But I still wake up, I still see your ghost  
Oh lord, I'm still not sure what I stand for  
What do I stand for?  
What do I stand for?  
Most nights, I don't know  
Anymore

This is it, boys, this is war  
What are we waiting for?  
Why don't we break the rules already?  
I was never one to believe the hype  
Save that for the black and white  
I try twice as hard and I'm half as liked  
But here they come again to jack my style

That's alright (that's alright)  
I found a martyr in my bed tonight  
Stops my bones from wondering just who I, who I  
Who I am  
Oh, who am I?  
Humm, humm

Well, some nights, I wish that this all would end  
Cause I could use some friends for a change  
And some nights, I'm scared you'll forget me again  
Some nights, I always win (I always win)

But I still wake up, I still see your ghost  
Oh lord, I'm still not sure what I stand for  
What do I stand for?  
What do I stand for?  
Most nights, I don't know

So this is it?  
I sold my soul for this?  
Washed my hands of that for this?

I miss my mom and dad for this?

No, when I see stars  
When I see stars, that's all they are  
When I hear songs  
They sound like this one, so come on  
Oh, come on  
Oh, come on  
Oh, come on

Well, this is it, guys, that is all  
Five minutes in and I'm bored again  
Ten years of this, I'm not sure if anybody understands  
This one is not for the folks at home  
Sorry to leave, mom, I had to go  
Who the f\*ck wants to die alone all dried up in the  
desert sun?

My heart is breaking for my sister  
And the con that she called "love"  
But when I look into my nephews eyes  
Man, you wouldn't believe  
The most amazing things  
That can come from

Some terrible lies

The other night, you wouldn't believe the dream  
I just had about you and me  
I called you up, but we'd both agree  
It's for the best you didn't listen  
It's for the best we get our distance  
For the best you didn't listen  
It's for the best we get our distance
