(spoken)
Who knows?

(sung)
Could be!
Who knows?

There's something due any day
I will know right away
Soon as it shows

It may come cannonballin' down through the sky
Gleam in its eye
Bright as a rose

Who knows?

It's only just out of reach
Down the block, on a beach
Under a tree

I got a feeling there's a miracle due
Gonna come true
Coming to me!

Could it be? Yes it could
Something's coming, something good
If I can wait

Something's coming, I don't know what it is
But it is
Gonna be great!

With a click, with a shock
Phone'll jingle, door'll knock
Open the latch

Something's coming, don't know when, but it's soon
Catch the moon
One-handed catch!

Around the corner
Or whistling down the river
Come on - deliver
To me!

Will it be? Yes it will
Maybe just by holding still
It'll be there

Come on something, come on in, don't be shy
Meet a guy
Pull up a chair!

The air is humming
And something great is coming!

Who knows?

It's only just out of reach
Down the block, on a beach
Maybe tonight...
