My heart's a stereo
It beats for you, so listen close
Hear my thoughts in every note

Make me your radio
And turn me up when you feel low
This melody was meant for you
Just sing along to my stereo

If I was just another dusty record on the shelf
Would you blow me off and play me like everybody
else
If I asked you to scratch my back, could you manage
that
Like it, check it Travie, I can handle that
Furthermore, I apologize for any skipping tracks
It's just the last girl to play me left a couple cracks
I used to used to used to used to, now I'm over that
Cause holding grudges over love is ancient artifacts

If I could only find a note to make you understand
I'd sing it softly in your ear and grab you by the hands
Keep me stuck inside your head, like your favorite tune
And know my heart's a stereo that only plays for you

[Chorus]

My heart's a stereo
It beats for you, so listen close
Hear my thoughts in every note

Make me your radio
And turn me up when you feel low
This melody was meant for you
Just sing along to my stereo

Oh oh oh oh To my stereo
Oh oh oh oh So sing along to my stereo

If I was an old school, fifty pound boombox
Would you hold me on your shoulder, wherever you

walk

Would you turn my volume up in front of the cops
And crank it higher everytime they told you to stop
And all I ask is that you don't get mad at me
When you have to purchase mad D batteries
Appreciate every mixtape your friends make
You never know we come and go like we're on the
interstate

I think finally found a note to make you understand
If you can hear it, sing along and take me by the hands
Keep me stuck inside your head, like your favorite tune
And know my heart is a stereo that only plays for you

[Chorus]

My heart's a stereo
It beats for you, so listen close
Hear my thoughts in every note

Make me your radio
And turn me up when you feel low
This melody was meant for you
Just sing along to my stereo

Oh oh oh oh To my stereo
Oh oh oh oh So sing along to my stereo

[Bridge]

I only pray you never leave me behind
Never leave me
Because good music can be so hard to find
So hard to find
I take your hand and pull it closer to mine
Thought love was dead, but now you're changing my
mind

[Chorus]

My heart's a stereo
It beats for you, so listen close
Hear my thoughts in every note

Make me your radio
And turn me up when you feel low
This melody was meant for you
Just sing along to my stereo

Oh oh oh oh To my stereo
Oh oh oh oh So sing along to my stereo
