Stop in the name of love, before you break my heart.
Free Your Minds
Stop in the name of love, before you break my heart.
Think it over

I wear tight clothing, high heel shoes
It doesn't mean that I'm a prostitute (no, no)
I like rock music, wear hip hop clothes
That doesn't mean that I'm out sellin' dope (no, no)

Before you can read me you got to learn how to see me

I said
Stop in the name of love, before you break my heart.
Free Your Minds
Stop in the name of love, before you break my heart.
Think it over

Free your Mind and the rest will follow
Think it over
Free your mind don't be so shallow

I known of your, your secluded nights
I've even seen her maybe once or twice
but is her sweet expression
worth more then my love and affection?
Before you can read me you got to learn how to see me

I said
Stop in the name of love, before you break my heart.
Inside Inside
Stop in the name of love, before you break my heart.
Think it over

Free your Mind and the rest will follow
Be colour blind don't be so shallow
Think it over
Free your Mind and the rest will follow
Be colour blind don't be so shallow
Don't Break My Heart

Stop, Stop in the name of love
Free your mind, Stop
Free your mind, Stop
Free Your mind

Before you can read me you got to learn how to see me

I said
Stop in the name of love, before you break my heart.
Free Your Minds
Stop in the name of love, before you break my heart.
Free Your Mind and the rest will follow
Be Colour Blind Don't Be so shallow
Free Your Mind and the rest will follow
Be Colour Blind Don't Be so shallow
Stop in the name of love, before you break my heart.
Stop in the name of love, before you break my heart.
Stop in the name of love, before you break my heart.

Think it over
Free your mind and the rest will
Stop
