Where it began  
I can't begin to know when  
But than I know it's growing strong

Was in the spring  
And spring became the summer  
Who'd believe you'd come along?

Hands, touching hands  
Reachin' out  
Touching me  
Touching you

Ooooh  
Sweet Caroline  
Good times never seemed so good  
I've been inclined  
To believe it never would

Ooooh  
Sweet Caroline  
Good times never seem so good  
Ooooh  
I've been inclined  
To believe it never would  
No no
